WORK EXPERIENCE

Front-end web developer Intern

July 2022 - September 2022

Kenyatta University | Nairobi, Kenya

- Completed an internship as a requirement for the degree of Computer Science.
- Demonstrated proficiency in web development using React.js, HTML, CSS and JavaScript.
- Collaborated with cross-functional teams to gather requirements and design user interfaces
- Debugged and troubleshooted front-end issues to ensure optimal performance and user experience.
- Implemented responsive web design principles for applications to render well on various devices and screen sizes.

PROJECTS

E-Commerce full-stack Webapp

[View in GitHub](#)

- Developed an electronic devices E-commerce platform using Next.js, MERN stack, and TypeScript.
- Integrated Stripe for secure and seamless payments.
- Styled with Tailwind CSS for a modern and responsive design.
- Implemented user authentication, MongoDB for data storage, and advanced Next.js features for optimal performance.

Modern Bank Website (UI/UX)

[View in GitHub](#)

- Designed and developed a sleek bank website using Next.js and enhanced the aesthetic with Tailwind CSS.

- Implemented modern UI/UX principles to create an engaging and visually stunning user experience.
- Leveraged Next.js for optimized performance and server-side rendering capabilities.
- Ensured responsiveness across devices for a seamless user experience.
- Successfully deployed the website, combining functionality with an appealing design.

Job Application Webapp

[View in GitHub](#)

- Developed a job application tracking web app, "Jobify," using the MERN stack.
- Implemented a user-friendly interface allowing applicants to monitor the status of their job applications.
- Utilized MongoDB for efficient data storage and retrieval, ensuring seamless tracking of application progress.
- Styled the application with Styled Components to achieve a clean and consistent design.
- Integrated authentication mechanisms for secure access to personalized application data.
- Deployed the application, providing a valuable tool for job seekers to manage and streamline their application processes.
